#### **Beyond the Horizon: Glimpses into the Lives of Exceptional Leaders** by Cam Danielson

*Beyond the Horizon* is a book of stories, reflections, and insights about living and leading wholeheartedly in an age of rapid transformation. It is told through the lives of an extraordinary group of people who operate at a deep level of being.

Danielson says, "In many ways this book began in 1994 when I made my first trip to The Monroe Institute (TMI). My interest in what Bob Monroe had started grew over the years through participation in different programs at the Institute.

*"... this is not another dry, academic book about change; it is itself a book of change, the mere reading of which will promote the further creative evolution of the human spirit."*

~ from the Foreword by TMI Board Member Joseph M. Felser, PhD.
